Department of Health Care Policy & Financing

Posting Date: June 1, 2019

This posting serves as notification of SFY 2019-20 Outpatient Hospital EAPG Base Rates for all Hospitals participating in Health First Colorado. Consistent with the SFY18-19 EAPG Base Rates, individual letters will not be issued to each hospital. This method of communicating hospital rates has been approved by Hospitals participating in our Hospital Engagement Meetings that occur every other month. Information about past and upcoming Hospital Engagement Meetings is available at <https://www.colorado.gov/pacific/hcpf/hospital-engagement-meetings>.

Hospital Base Rate Increase SFY 2019-20: The outpatient hospital EAPG base rates reflect the 1% provider rate increase effective July 1, 2019, as mentioned in SB 19-207. The rates in this letter show a 1% increase of the EAPG base rates that were effective July 1, 2018.

Request for Informal Reconsideration or Appeal: Reimbursement rates for outpatient hospital services were calculated according to the regulations of the Health First Colorado Program. If you disagree with these figures, you may file a written request for informal reconsideration with the Department within thirty (30) days from the “posting date” listed in this communication. The request shall state the specific component of the rate the Provider wants reconsidered and the Provider’s position. Requests that do not comply with the requirements of this section shall be considered incomplete and shall be denied.

If you desire an informal reconsideration for your hospital’s July 1, 2019 Outpatient Base Rate, please send your written request including your position as to each identified concern regarding the rate determination to:

Andrew Abalos
Fee-for-Service Rates Section
Department of Health Care Policy and Financing
1570 Grant Street
Denver, CO 80203

You may file an appeal of the decision on the informal reconsiderations with the office of administrative courts, as set forth at 10 C.C.R. 2505-10, Section 8.050.3.A-D:

A. “A Provider, other than a nursing facility whose notice of Adverse Action is regarding a rate determination, may appeal a notice of Adverse Action by filing a written appeal within thirty (30) calendar days from the date on the Notice of Adverse Action. The appeal shall be filed with the Office of Administrative Courts, Department of Personnel and Administration 1525 Sherman Street, Fourth Floor, Denver, CO 80203.

B. The appeal shall specify the basis upon which the Provider appeals the Adverse Action.
